

CADE WERNER MEMORIAL HCGCYST

SCHOLARSHIP

This scholarship was established in memory of Cade Werner who passed away in March 2017, shortly after signing up for his classes to start high school in September. Cade attended Honor Intermediate School and as an 8th grader, he went to the HUHS for Accelerated Algebra class. He was a very intelligent, naturally talented, athletic boy with a spunky personality! Cade enjoyed hunting, had an eye for trap shooting, and many other sports. Cade loved to have fun but also enjoyed helping others especially kids and the elderly. He volunteered at school and served for mass at our local church.
